**GOVERNOR'S FELLOWS**

---

The Governor's Fellows Program, initiated in 1982, offers talented young people firsthand experience in the processes of state government. Fellows are assigned to a member of the Governor's Cabinet or personal staff. Modeled somewhat after the White House Fellows program, Virginia's program encourages Fellows to consider a career in government or public service. No state funds are designated for the operation of the program. Institutions from which applicants are selected for the program are asked to provide summer grants for their students.

Applicants must be graduating seniors or enrolled as degree candidates in graduate or professional schools. Students enrolled in Virginia colleges or universities, public or private, may apply, regardless of state of residence. Virginia residents enrolled in out-of-state institutions, public or private, may also apply. In the selection process, there is no discrimination on political, racial, religious or gender grounds.
